

Palo Alto Stanford Heritage (PAST) advocates the preservation of the historic architecture, neighborhoods, and character of the greater Palo Alto-Stanford area through informed citizen involvement and education. Your dues will enable us to continue offering tours for all ages and also to provide owners of historic properties with information and resources to help in maintaining and updating their buildings appropriately.

If you are joining at the Sponsor, Patron, or Life membership level for the first time, you will receive as an appreciation gift a set of postcards or a set of note cards with photographs of historic Palo Alto houses.

Please support PAST's preservation work with a contribution of your time and/or money.
